## SECURITY

**CALL: 281/376-3472**

The constable is here for us and it is not a bother to call.  
The constables are here to provide security for each and  
every resident. That is what we pay them for. If you  
don't call and report problems, they will not know what is  
happening. Anything that seems out of the ordinary, looks  
like it could turn into trouble, or just strangers in the area

should be reported. We have 3 constables patrolling our subdivision.

If you are an owner and have pool cards you do not need to do anything but make sure your assessments are paid. If you received your old pool card back this year you will need to bring ID to the pool and we will make you a new one. If you rent your home, then you will need to get a tenant form filled out and if you do not have pool cards you will need to have those made. There is a \$10.00 charge for each card. **If you do not have a current 2009 tenant form on file you will be turned away.** Tenant forms may be picked up at the office or pool. All landlords were mailed copies of the tenant forms in February. Landlords may fax a signed copy of the form to our office.

The water district will be holding their monthly meeting at the Birnam Wood III Clubhouse on Tuesday Feb 10, 2009 at 7:00 p.m. This is a regular meeting and a number of items will be discussed. Feel free to come to these meetings. Security is always on the agenda. We now have 3 constables that patrol full time. Although nothing will prevent crime, the presence of police cars on patrol helps to slow it down.
